Better Blooming Bulbs

HEBERLING'S GLADIOLUS

Corn Belt Grown

J. H. HEBERLING

EASTON, ILLINOIS

1931

FALL

1931

SPLIT SPECIAL

IF THEY WIN FOR ME, THEY WILL WIN FOR YOU!

TERMS: All stock true to name, young, clean, and free of disease. Terms cash. All shipments PREPAID. Satisfaction guaranteed. Fall or Spring delivery.

This sale is to clear stock for storage. So I have made the prices very attractive so that you can afford to buy now.

These prices will not be good after DECEMBER 15th. I would suggest that you send your order in promptly as many varieties will be sold out in a short time.

It will pay you to look this list over carefully and send in your order NOW!

I am making this offer in large and medium size bulbs. The large size is 1 1/4 inches and up and the medium size is 3/4 to 1 inch, but this size should make fine spikes of bloom the first season. If you order by item number, items from 200 to 367, inclusive, are all large size bulbs. Items from 400 to 537, inclusive, are all medium size bulbs. Each item has a single value of 50 cents. Here is where you make your savings. You may order two or more items of the same variety if you wish.

Any 6 of the below 50c items, \$ 2.50 .
Any 13 of the below 50c items, \$ 5.00.
Any 20 of the below 50c items, \$ 7.00.
Any 28 of the below 50c items, \$10.00.
